Dear
Parents,

WTM Closed on Friday, August 23rd

We will be closed on Friday, August 23rd due to Teacher In-Service Day. This is a day that staff comes to school to learn! We work on the curriculum, go over policies and further our child development education. These hours count towards the staff's annual continuing education requirements.

Special Days

Through out the summer we will be doing fun activities such as pajama day, bike day, water day, etc. I have included the themes along with the special days. All special days will be held Friday with the exception of August 23rd ; that fun day will be held on Thursday, August 22nd.

- **August 5 – 9 Creepy Crawlies**
 - Cooking Class, August 9th – We will do some experiments with ants and later make an ant inspired snack!
- **August 12 – 16 Land of Make Believe**
 - Bike Day Day, August 16th – Your child may bring a self-propelled vehicle to WTM, but they must wear a helmet that fits properly to participate! The children will have a bike parade and a “car wash” for their bikes!
