

July 2, 2012

Dear Parents,

Please Update the Vacation Sheet

As you enter the building, you will see a large form with all the pre-school and kindergarten children's names on it (on the brown door). Please write an "X" for any days that your child will not be attending WTM this summer. This enables us to plan staff vacations and your cooperation is greatly appreciated!

Door Safety

Please do not allow your child to use the door to leave the building. We have noticed that some children have tried to leave through the front door while their parents are speaking with a teacher. Luckily we have been able to stop the child but we need your help in reminding them that they cannot leave without a parent. Please keep your children within sight and sound when you pick them up at the end of the day to ensure their safety and the safety of other children.

Fridays are Still Special

Throughout the summer we will continue our fun activities such as pajama day, bike day, water day, etc. Water day and bike day will be weather permitting, so we will give you a heads up if it has been canceled. Below is the July schedule including the theme for the week and the Special Day (which will always be Friday):

- **July 2 – 6 Up North : Minnesota Marvels Part 1**
 - Pajama Day, July 6th – The children will be enjoying a camp out in their pajamas. Around the "campfire" we will enjoy eating popcorn, singing, maybe even listen to a scary story or two! There will even be some tents to "sleep" in!
- **July 9 – 13 Travel Minnesota : Minnesota Marvels Part 2**
 - Bike Day, July 13th – Your child may bring a self-propelled vehicle to WTM, but they must wear a helmet that fits properly to participate! The children will ride their vehicle through a car wash and have the chance to wash their bikes with soap and sponges too!
- **July 16 – 20 Diggin' Dinosaurs**
 - Water Day, July 20th – Bring your child's swimsuit and towel in a bag labeled with your child's name. Please do not bring any water toys (guns, inflatable loons, etc)
- **July 23 – 27 Way Out West**
 - Rodeo Day, July 27th – Have your child dress up like a cowboy or cowgirl! The children will be making and eating trail mix for snack and then panning for gold! Yeehaw!

Reminder

WTM will be closed on Friday, August 17th due to Teacher's In-service

Here's to a wonderful summer!
Anni and Catherine
