

Step Up To Soccer

If you have signed up your child for soccer please remember to have your child wear appropriate shoes for soccer on Thursdays. You can send bug spray (clearly marked with your child's first and last name) for your child if you would like; it does get a little buggy on the playground. Class starts on June 14th and the last day is August 2nd.

Vacation Sheet

As you enter the building, you will see a large form with all the pre-school and kindergarten children's names on it (on the brown door). Please write an "X" for any days that your child will not be attending WTM this summer. This enables us to plan staff vacations and your cooperation is greatly appreciated!

Puppet Wagon

The city of Woodbury has a Puppet Wagon that goes to all of the city parks on specific days and times. We are lucky to be located close to Shawnee Park where the Puppet Wagon stops every Monday at 9am starting June 11th. We plan on going each Monday until the program finishes at the beginning of August. The students walk with the teachers to the park and enjoy the 15 minute program, if there is time they may even stop at the park to play a little before heading back to WTM. Please make sure to have your child to WTM by 8:30am on Mondays since they leave shortly after to make it to the show!

Picnics

All summer we will try and have an outdoor picnic for the children each Wednesday. We will be serving lunch items that travel well and are easy to eat. The children really enjoy this and we will continue throughout the summer weather permitting.

Fridays are Special Days

Throughout the summer we will be doing fun activities such as pajama day, bike day, water day, etc. Water day and bike day will be weather permitting, so we will give you a heads up if it has been cancelled.

Below is the June schedule including the theme for the week and the Special Day (which will always be Friday):

- **June 4 – 8 "It's Good to Know You"**
 - Kindergarten Graduation, June 8th – We will be celebrating with our Kindergarten friends on their special day!
- **June 11 – 15 "Transportation: Moving Around"**
 - Riverside Construction, June 15th – We will be busy building rivers, rafts and bridges on the playground. It will be a lot of wet and sandy fun!
- **June 18 – 22 "My Neighborhood"**
 - Bike Day, June 23rd – Your child may bring a self-propelled vehicle to WTM, but they must wear a helmet that fits properly to participate! We will create a "neighborhood" with streets, stop signs and a park.
- **June 25 – 29 "Down by the Pond"**
 - Water Day, June 29th – Bring your child's swim suit and towel in a bag labeled with your child's name. Please do not bring any water toys (guns, inflatable alligators, etc)

Reminder

- WTM will be closed Wednesday, July 4th due to Independence Day.

Here's to a wonderful summer!

Anni and Catherine
